SHARK PANTRY

Shark Pantry Students/Visitors Expectations

Civility

- **Wait in line**
- **Have your NSU ID ready at check-in for staff and volunteers to view**
- **Please remember that students are present and watching**

Order

- **Bring your own shopping bags**
- **Your place in line is only yours – no saving spots**
- **Keeping your items sorted by type helps us speed-up the check-out process (cold items/non-perishables/toiletries)**
- **Please return baskets to the staff/volunteers**

Respect

- **Follow instructions both written and given by staff and volunteers**
- **Please note that disrespectful behavior will not be tolerated**
- **Please take the appropriate time to shop (approx. 10 minutes) the pantry is small, and we can only have 3 students in at the time, causing long lines during rush times**
- **While shopping, keep everything organized**
- **Do not remove any equipment from the pantry**
- **Keep cabinets always closed**
- **Be patient, the pantry is here to serve you**
