Institutional Effectiveness

June 20, 2018

The data below includes enrollment in BS Computer Science, MS Computer Science, and PhD Computer Science.

Enrollment by Term, Full vs. Part, Year in Program and Level

The **Term** column indicates the term of enrollment, whereas the numbers going across the top represent students' year of enrollment in the respective Computer Science program.

Term	Full/Part	1	2	3	4	5+	Undergraduate	Graduate
Fall 2017	Full	59	22	12	1	2	51	45
Fall 2017	Part	16	8	8	6	22	10	50
